SAN DIEGO COUNTY EMPLOYEES RETIREMENT ASSOCIATION
SWORN STATEMENT POLICY

I. PURPOSE

To provide a Policy, pursuant to Section 31526 of the California Government Code and the Regulations of the Board of Retirement of the San Diego County Employees Retirement Association (the "Association"), regarding a Sworn Statement.

II. POLICY

A. Employer Submission of Required Information

In lieu of a Member sworn statement each Member’s employer shall submit to SDCERA information pertaining to the Member’s date of birth and other pertinent data as may be required by the Board of Retirement. The date of birth provided by the Member’s employer shall determine the age of that Member for all purposes of the Association unless subsequently re-determined as provided in Section B below.

B. Correction of Date of Birth

If it is determined that the Member's date of birth should be corrected on the records of the Association, the Association may approve the correction. The recommendation for correction shall be in writing, shall summarize the evidence in support of the recommendation, and shall provide the total amount of contributions necessary to satisfy the correction, either additional or refundable.

C. Default

If it is impractical to determine from the records the age of any Member, or if the Member or Member’s employer refuses or fails to give the Association a statement of the Member's age, the Association may estimate the Member's age based on information that is readily available. The Association shall provide written notice of any determination made as to their date of birth under this paragraph.

REVIEW

This policy shall be reviewed by the Board at least every three (3) years and may be amended at any time.
