SAN DIEGO COUNTY EMPLOYEES RETIREMENT ASSOCIATION
POLICY ON THE ROLE OF ALTERNATE MEMBERS OF THE BOARD

I. INTRODUCTION

A. This policy establishes guidelines applicable to the alternate safety and retired alternate Board members and is intended to be consistent with the provisions of the County Employees Retirement Law of 1937 (CERL) pertaining to alternate trustees. Where there is a conflict between the provisions of this policy and the CERL, the latter shall prevail.

B. The seventh Board member is a safety member, with an alternate member pursuant to Government Code section 31520.1. The alternate safety member may sit on the Board in place of an absent trustee elected by SDCERA’s members. The eighth Board member is a retired member with an alternate member pursuant to Government Code section 31520.5. The alternate retired member may sit on the Board when the eighth Board member is absent.

II. DUTIES AND RESPONSIBILITIES

A. Board Meetings

1. An alternate Board member shall perform his or her duties and functions in accordance with SDCERA’s Board Regulations and Policies. The alternate safety and retired alternate Board members shall have the same responsibilities for and access to closed sessions as the seventh and eighth Board members. The alternate safety and retired alternate Board members may participate in the public or closed session deliberations of the Board at all meetings.

2. The alternate safety Board member shall participate as a Board member in voting on resolutions or motions when the second, third or seventh member is absent from a Board meeting for any cause.

3. The alternate safety Board member will sit and act in place of the seventh Board member pursuant to Government Code Section 31520.1(b) for determination of the retirement of a safety member of the same service as the seventh member. The seventh Board member shall not participate in the deliberations or voting of the Board.
a) The retired alternate Board member shall participate as a Board member in voting on resolutions or motions when the eighth Board member is absent from a Board meeting for any cause. If both the eighth Board member and the alternate retired Board member are absent from a board meeting, the alternate safety Board member may sit and act for the eighth Board member.

4. The alternate safety and retired alternate Board members shall be entitled to the same compensation for attending a Board or Committee meeting as their respective seventh and eighth Board member, whether or not the seventh or eighth Board member is in attendance at the meeting.

B. Board Officers and Committees

1. An alternate Board member is not eligible to be elected to an office on the Board. In the event the alternate Board member is sitting and acting for a Board member who is a Board officer, whether due to that officer’s absence or due to a vacancy, the alternate is not eligible to hold the office of the absent or former Board member.

2. An alternate Board member is free to attend Committee meetings and may hold positions on the committees of the Board independent of the seventh and eighth Board members.

3. An alternate Board member may sit and act at committee meetings for the seventh or eighth Board member due to an absence or vacancy.

4. An alternate Board member shall only be entitled to compensation for attending or participating in a committee meeting where the alternate Board member is attending as a member of the Committee or due to an absence or vacancy as described in this policy.

C. Quorum and Voting

1. An alternate member may be counted for purposes of establishing quorum for meetings of the Board or its committees only when the alternate member is sitting for a Board member due to an absence or a vacancy or is a Committee member.

2. An alternate member shall only have one vote when serving on the Board or a committee due to an absence or vacancy.
